

2017-2018

Teachers' Feed-back Report -

The institution is a single faculty institution which runs UG and PG programmes. At under graduate level in all 09 courses are there, among them 05 courses like English, Hindi, Society, H.Eco. are on grant and 04 courses like Fashion Designing, Political Science, Economics and English Literature are self financed. Five full time teachers are appointed for granted courses. Library and Physical Education Department have recruited full time teachers as per UGC norms. For no grant sections contributory teachers are appointed. Rashtrasant Tukadoji Maharaj, Nagpur University Nagpur introduced semester pattern for Under Graduation in the year 2016-17. The institution took the feedback of the teachers with response to the changed pattern and syllabus, infrastructural facilities provided for the better functioning and development of the institution as a whole. Here are some findings.

Findings -

The teaching faculty is 100% satisfied for positive encouragement received from the institution to participate in various professional development programmes. They are contented to get freedom to adopt new techniques of teaching, strategies of testing and assessment of students.

100% teaching faculty marked that the administration of the institution is teacher friendly.

Opinions vary on infrastructural facilities available in the college 25% faculty members suggested some changes in the department of library.

Good response is given over the issues that syllabus is suitable to the course and college activities are student centric. Some of the major suggestions received by the teaching faculty for the over all progress of the institution are as follow:

1. Separate reading section for staff in the library.
2. Switch Board should be arranged in staff room to recharge the battery of lap-tops.
3. Micro oven should be purchase in Home-Eco Dept. for students.
4. White board facility should be made available in each class room.
5. LCD facility should be provided in each class room.
6. No. of damees in F.D. Lab should be increased for the presentation of garments stitched by students.
