Institutional Distinctiveness

Institution appreciates the start-up programmes declared by the Government of India taking initiative towards Green Revolution. The institution is committed to take eco-friendly initiatives through various activities and programmes. To support the mission of save the environment, the institution has determined to plant and nurture the trees through plantation drive. For the same sake the institution adopted the land of Boys Hostel, RTM Nagpur University, Nagpur for five years. 20 full grown fruit trees like Mango, Chikoo, Guava, Medicinal Trees like Neem and Banyan were planted on the adopted land.

It was decided that audit of the planted trees on the adopted land will be done by the institution annually. The initiative of the institution was supported and appreciated by Honourable Vice Chancellor, RTM Nagpur University, Dr. S. V. Kane and Registrar, RTM Nagpur University, Dr. Neeraj Khati. Through such activities the institution aims to inculcate values like social responsibility and protect the nature among the students. The activity was carried out by 30 NSS Volunteers with determination of looking after the planted trees. Students' involvement in the activity is of prime significance.

Under taking plantation drive in vicinity is regularly done by the institution but the initiative to adopt the land for plantation for five years in collaboration with RTM Nagpur University, Nagpur proves Institution's Distinctiveness which demonstrates institution's commitment towards environmental awareness and responsibility.
